### How to Place Task Orders

The Customer Agency defines requirements for the Task Order Request (TOR). There are two ways task orders can be placed under Alliant 2.

- **Direct Acquisition:** GSA issues a Delegation of Procurement Authority to the customer agency Ordering Contracting Officer (OCO) who performs the acquisition, or
- **Assisted Acquisition:** GSA performs the acquisition on behalf of the customer agency and provides post-award support, as negotiated with the customer. An Inter-Agency Agreement is required.

The GSA Alliant 2 PMO team is available to provide complimentary scope reviews, Alliant 2 training, and assistance to users upon request. Visit www.gsa.gov/Alliant2 for more information.
